Stand By Me - Ben E. King

G   Em   C   D   G

G
When the night has come
Em
And the land is dark
C          D          G
And the moon is the only light we'll see
G                           Em
No I won't be afraid, no I won't be afraid
C          D          G
Just as long as you stand, stand by me
G                           Em
And darlin', darlin', stand by me, oh now now stand by me
C          D          G
Stand by me, stand by me
G
If the sky that we look upon
Em
Should tumble and fall
C          D          G
And the mountains should crumble to the sea
G                           Em
I won't cry, I won't cry, no I won't shed a tear
C          D          G
Just as long as you stand, stand by me
G                           Em
And darlin', darlin', stand by me, oh now now stand by me
C          D          G
Stand by me, stand by me
G                           Em
And darlin', darlin', stand by me, oh now now stand by me
C          D          G
Stand by me, stand by me
