The Middle - Jimmy Eats World

D          A
Hey, don't write yourself off yet.

G          A            D
It's only in your head you feel left out or looked down on.

D          A
Just try your best, try everything you can.

G          A            D
And don't you worry what they tell themselves when you're away.

CHORUS

D          A
It just takes some time, little girl you're in the middle of the ride everything,

G          A            D
Everything will be just fine, everything, everything will be all right (all right)

D          A
Hey, you know they're all the same.

G          A            D
You know you're doing better on your own, so don't buy in.

D          A
Live right now. Yeah, just be yourself.

G          A            D
It doesn't matter if it's good enough for someone else.

(Repeat CHORUS)

D          A
Hey, don't write yourself off yet.

G          A            D
It's only in your head you feel left out or looked down on.

D          A
Just do your best, do everything you can.

G          A            D
And don't you worry what the bitter hearts are gonna say.

(Repeat CHORUS x2)
