Feelin' Alright - Joe Cocker

```
C7                    F7
Seems I got to have a change of scene
C7                            F7
Cause every night I have the strangest dreams
C7                       F7
Imprisoned by the way it could've been
C7                        F7
Left here on my own or so it seems
C7                          F7
I got to leave before I start to scream
C7                                  F7
But someone's locked the door and took the key

         C7             F7
Feelin' alright
              C7                       F7
Not feelin' too good myself
         C7            F7
Feelin' alright
              C7                       F7
Not feelin' too good myself
```

Boy you sure took me for one big ride

Even now I sit and wonder why

And when I think of you I start to cry

I just can't waste the time I must keep dry

Got to stop believin' in all your lies

Cause I got to much to do before I die

 Don't get too lost in all I say

If half the time I really felt that way

That was then and now it's today

Can't get off yet and so I'm here to stay

Before someone comes along and takes my place

With a different name and yes a different face
