What I Got - Sublime

(entire song uses D, G chord progression)

D                G
Early in the morning
Rise up to the street
Light me up that cigarette
and I'll slap shoes on my feet
Got to find a reason
Reason thing went wrong
Got to find a reason
why my money's all gone

I got a dalmation
I can still get high
I can play the guitar
Like a motherfuckin' riot

Life is too short
So love the one you got
Cause you might get run over
or you might get shot

Never start static
I just get it off my chest
Never had to battle with my
bulletproof vest

Take a small example
Take a tip from me
Take all of your money
Give it up to charity

Love is what I got
Is with in my reach
the sub rock styles
dealt straight from Long Beach

It come back to you
You're gonna get what you deserve
Try'n test that
Your bound to get served

Love's what I got
Don't start a riot
You'll feel it when
the dance get's hot

Love is
What i got
I said remember that
Love is
What I got
Now remember that

I don't cry
When my dog runs away
Don't get angry
Bout the bills I have to pay
Don't get angry
when my mom smokes pot
Hits the bottle
and goes right to the rock
What I Got - Sublime

Fuck it fight it
It's all the same
Livin with Louey Da's ??
The only way to stay sane

Let the lovin'
Let the lovin come back to me
