

## One Of These Nights

Em Cmaj7 Am Em Bm

One of these nights, one of these crazy old nights  
we're gonna find out, pretty mama, what turns on your lights  
The full moon is calling, the fever is high  
and the wicked wind whispers and moans,  
you got your demons, you got your desires,  
well, I got a few of my own.

Ooh, someone to be kind to in between the darkness and light.  
Ooh, coming right behind you, swear I'm gonna find you  
One of these Nights.

One of these dreams, one of these lost and lonely dreams  
we are gonna find a girl, one that really screams  
I've been searchin' for the daughter of the devil himself  
I've been searchin' for an angel in white.  
I've been waitin' for a woman who's a little of both  
and I can feel her but she's nowhere in sight.

Ooh, loneliness will bind you in between the wrong and the right  
Ooh, coming right behind you, swear I'm gonna find you  
One of these Nights....
