Love Me Do – The Beatles

Chords Used:

G:      320033 or 355433
G7:     320001 or 353433
C:      x32010
D:      xx0232
F:      133211

Strumming Pattern: This one is REALLY easy to figure out once you get the hang of it. The overall strumming pattern is just D, DU, D, DU, DUU over and over. If you want to add the mutes in like I did, you'll want to play it more like D, xU, D, xU, Dxx for the most part. One thing about this kind of song is that you can really throw the mutes in anywhere.
